

ALGONQUIN AND LAKESHORE CATHOLIC DISTRICT SCHOOL BOARD

POLICY STATEMENT

Selection and Maintenance of Library Resources

The school resource centre extends the learning environment beyond the classroom and provides learners with a dynamic, inviting and safe environment which is rich in print and non-print resources.

All students and staff will have access to a variety of current and quality resources which support and enhance the Ontario curriculum.

By providing students with materials which support the development of essential research skills facilitative of lifelong learning, they will be well-prepared to solve problems and meet the challenges of the future.

ALGONQUIN AND LAKESHORE CATHOLIC DISTRICT SCHOOL BOARD

POLICY MANAGEMENT PRACTICES

Selection and Maintenance of Library Resources

1. A guideline which addresses procedures regarding the selection and maintenance of library resources will be provided. That guideline will reflect the Board=s policy perspective regarding library resources.
2. That guideline will include the perspective of the Canadian Library Association on matters of selection and availability of library resources.
3. Where a conflict exists between the legitimate denominational position of the Board on matters of the selection and accessibility of library resources and that of the Canadian Library Association, the Board=s position shall prevail.
