

# Math Achievement Action Plan Project (MAAP) Framework

Algonquin & Lakeshore  
Catholic District School Board

## SEPTEMBER

Meetings scheduled with priority school administrators to discuss project framework with School Math Facilitators (SATs).

## WEEK OF OCT 2

Meetings begin with priority school administrators to discuss project goals, important PLC dates and timelines.

## TERM 1 OCTOBER - JANUARY

In-class supports to develop relationships, self-regulation, executive functions, fact fluency, and MathUP integration. School Math Facilitators (SATs) will work with educators to support the implementation of the MAAP project by using data to assist in board-level reporting. **See below for term 1 PD sessions.**

## OCTOBER

**PLC #1** - SATs will work with educators to develop capacity in classrooms with self-regulation, executive functions resources, and MathUP diagnostic task.  
\*One school leader should be in attendance for all PLC sessions.

## OCT 24

**SERT PD #1** - Building capacity with SERT educators for students with learning disabilities in Mathematics.  
\*School leaders are invited to attend PD sessions.

## NOV 15

**Math Achievement Action Plan due date**  
Your SAT will help you review this data ahead of time for the Board Math Lead.

## NOV 15

**SERT PD #2** - Number Strand day and building fact fluency for students with special education needs.  
\*School leaders are invited to attend PD sessions.

## JANUARY

**PLC #2** - SATs will work with educators to administer and collect data for second MathUP diagnostic and EQAO pre-assessments.  
\*One school leader should be in attendance for all PLC sessions.

## TERM 2 FEB - JUNE

Continue in-class supports and teaching with intention with educators by strengthening teaching capacity in building fact fluency, MathUP integration and EQAO preparation. **See below for term 2 PD sessions.**

## FEB 15

**SERT PD #3**- Spatial Sense day  
\*School leaders are invited to attend PD sessions.

## MAR 15

**Math Achievement Action Plan due date**  
Your SAT will help you review this data ahead of time for the Board Math Lead.

## APR - MAY

**PLC #3 (TBD)** - Continue to work with educators in developing capacity with resources and assisting with EQAO preparation.  
\*One school leader should be in attendance for all PLC sessions.

## MAY 8 - JUNE 12

Primary and Junior EQAO assessment window - Wednesday, May 8, 2024 to Wednesday, June 12, 2024.

## JUNE

Wrap up work in classrooms and collect final assessment data for MAAP project.

## JULY 15

**Math Achievement Action Plan due date**  
Your SAT will help you collect this data ahead of time for the Board Math Lead.
