

Your CUPE Education Workers' Benefits Plan

Updated July 2024

Putting Your Health First

Welcome to the CUPE Education Workers' Benefits Trust (CUPE EWBT) benefits plan. It's tailor-made for eligible CUPE education sector employees, designed to protect you and your family.

Full plan details — including who is eligible, enrolment deadlines, what's covered and what's not — are available on the CUPE EWBT website at www.cupe-ewbt.ca, as well as on OTIP's secure member website after you have enrolled.

The benefits plan is funded by the CUPE EWBT. However, members are required to pay a share of the monthly cost based on the number of regularly scheduled hours of work per week. Certain restrictions, limitations and exclusions will apply. In the event of your death before retirement, family members can continue health and dental coverage at no charge for 12 months.

The plan is administered by **OTIP**, a not-for-profit organization, dedicated to Ontario's education workers.

Canada Life is the insurance carrier for CUPE EWBT and is responsible for assessing and processing health and dental claims.

FACET is a Prior Authorization Program responsible for working with you and your healthcare provider through the process of acquiring specialty prescription drugs requiring pre-authorization.

Chubb is responsible for assessing and processing accidental death and dismemberment (AD&D) claims.
