

Our School Prayer

SIPSAW 2018-19

Composed by students Kindergarten through Grade 8 after reflecting on goals of the SIPSAW under each pillar.

As beloved children of God,

We will work together to make our school a fun and safe learning environment.

As beloved children of God,

We will be kind, encouraging, patient and respectful to everyone we meet.

As beloved children of God,

We will pray every day and work to spread Your love to others in our community.

As beloved children of God,

We will take care of all of God's creations.

As beloved children of God,

We will respect the First Nations who came before us and will understand that we are on their land.

As beloved children of God,

We will not fear failure, but continually strive for success by trying our best every day and competing respectfully.

We will cherish and be grateful for all that we have been given **as beloved children of God.**

Amen.
