What is a Dual Credit?

The Dual Credit Program provides secondary school students with the opportunity to earn up to 4 dual credits by participating in apprenticeship training and college courses.

While enrolled in college dual credits you will earn both high school and college credits for successfully completing a course at the college.

Program Goals

Introduce students to a variety of career options within various sectors

Help students in making appropriate career choices before they enter post secondary school

Assist secondary students in the completion of their Ontario Secondary School Diploma (OSSD)

Help successful transitioning to college and apprenticeship programs

Who is Eligible?

Grade 12 students or 5th year students

Students who are registered in Cooperative Education

Students who are exploring or participating in Apprenticeship opportunities

Students who may be working towards a Specialist High Skills Major

Students who are flexible, self-reliant, mature and committed to this pilot program

Additional Information

Costs

Transportation, tuition fees and textbook costs are also covered by the pilot project.

Supervision

A 'Dual Credit' teacher will be assigned as a resource to support the students and staff involved in the program.

College Transcript

Each course will be listed along with the final mark in each course
